## THE TOBACCO MARKET.

The Bourbon Tobacco Warehouse Company (consolidated) sold yesterday 72,980 pounds of tobacco for \$12,963.58, for an average of \$17.76.

Prices ranged from \$11.00 to \$41.00 per hundred, the latter price being paid for three baskets belonging to Virgil Florence, John S. Kennedy and G. R. Stoker. The offerings were medium with a steady to strong market.

The Independent Tobacco Warehouse sold yesterday a total of \$1,695 pounds of tobacco for \$5,829.59, an average of \$18.44. The highest price of the day was a basket brought in by Hildreth & Rose, which brought \$32.00. The quality of the offerings was fair and the market was considerably stronger, the low grades being steady, while the higher grades were somewhat advanced.

## PARIS NEEDS REENUMBERING SYSTEM FOR HOUSES.

Some time ago THE NEWS suggested in its columns the absolute necessity of having the residences and business houses of the city renumbered, the present system being incomplete and faulty, being really a hamper to the work of distributing the mails by the carrier service.

At the next meeting of the City Council, Postmaster Payne will ask Mayor Hinton and the Council to pass an ordinance appropriating an amount of money sufficient to meet the expense of properly renumbering the houses in accordance with the plan suggested by THE NEWS.

Under the present conditions in Paris very few of the houses are numbered, some of them, in fact, being numbered incorrectly, and a great amount of mail is received at the Paris postoffice on which no street number or address is given. It is said that the experiences of other cities fully warrant the city in taking charge of and doing the numbering of the houses at its expense, as it has been pointed out, where the matter is left to an individual, they are not fully posted, consequently the houses are not only incorrectly numbered, but it is said that in a number of cases, the occupants of houses upon removing to some other locality or some other town have even gone to the trouble of taking the house number with them.

## REPORT OF SALE OF STEWART LAND, CROP, ETC.

There was a good attendance at the sale of stock, crop, farming implements, etc., belonging to the estate of the late Mrs. Mary E. Stewart, conducted Wednesday by Auctioneer Geo. D. Speakes, for Mr. Jas. W. Stewart, administrator of the estate.

The following report of the sale is made by Auctioneer Speakes: Two Percheron colts brought \$62.50 each; one aged horse sold for \$53; calves, \$23 and \$25 each; cows, \$45 to \$55 each; 80-lb. shoats, \$8.85 per hundred; yearling cattle, \$52 each; three-year-old cattle, \$88 each; corn, \$3 per shock; farming implements brought good prices.

The farm where the sale took place was sold at private sale by the administrator, Mr. Stewart, to Mr. Lindsay Stewart, for a price said to have been \$150 per acre. The farm contained 100 acres, and is located on the Stringtown pike, near Paris. Mr. Stewart will get possession on March 1.

## FISCAL COURT.

The January term of the Bourbon Fiscal Court, the first meeting of the new year, convened at the court house yesterday. County Judge McMillan presided with Justices Thomason, Burris, Redmon, Stephenson, Lloyd and Shropshire present.

The County Road Engineer read his report for the month of December, 1916, which was received and filed.

Justices Burris and Stephenson were appointed as committee to settle with the Treasurer and Sheriff for 1916.

Claims against the county amounting to \$1,584.52 were allowed and ordered paid.

On motion the Court adjourned to meet February 1, 1917.

At the conclusion of the meeting the members of the Fiscal Court, the county officials and a few invited guests were guests of Justice John J. Redmon, at a dinner given at the Windsor Hotel. Covers were laid for sixteen, and all did ample justice to everything on the menu.

## TAX SUPERVISORS IN SESSION.

The Bourbon County Board of Tax Supervisors, composed of Messrs. M. J. Lavin, Ossian Edwards, Ben Woodford, Sr., Robt. Meteer, J. A. Litter, N. F. Collier and J. W. Ewalt, recently appointed by County Judge Chas. A. McMillan, is in session daily at the court house. The Board will go over the assessment of lands in Bourbon county and city property in Paris, as made to the County Assessor. They will remain in session likely for the next two or three weeks.

## GUESSED RIGHT FIRST TIME.

Postmaster J. Walter Payne and assistants know now that THE NEWS is considered the leading newspaper in Paris. Wednesday a postal card came to the Paris postoffice addressed simply to "The Leading Newspaper, Paris, Ky." and it was promptly placed in THE NEWS' box. The card was from Mrs. L. R. Simcox, of Marion, Ohio, asking for sample copies. These were promptly forwarded. Of course, our contemporaries won't feel jealous or hurt over the action of the postal force, for "there's glory enough for all."

## PUBLIC INSTALLATION OF PYTHIAN OFFICERS.

There was a large crowd at the Baptist church last night to witness the installation of the recently-elected officers of Rathbone Lodge No. 12, Knights of Pythias, which was a public affair. The ceremonies began at eight o'clock, retiring Chancellor Commander P. A. Thompson presiding as Chairman of the meeting.

The program began with the singing of the opening ode. Rev. Dr. O. R. Mangum, pastor of the Baptist church, and an enthusiastic member of the order, delivered an eloquent invocation. District Deputy John K. Cahal, also one of the lodge's most earnest and hard-working members, told the "Story of Damon and Pythias," and he did it in a masterly manner, too. Following this Mrs. E. L. Shanklin sang in a touching and impressive manner the ever-beautiful "Perfect Day." On account of the absence of Rev. W. O. Sadler, pastor of the Methodist church, who had been detained by the illness of his father, Rev. Geo. H. Harris, rector of St. Peter's Episcopal church, made the presentation address in bestowing upon Knight Phil M. Heller, now the treasurer of the order, the beautiful K. of P. jewel, in recognition of his twenty-five years' membership and faithful devotion to the good of the order. Mrs. Howard B. Carr and Miss Ina Mattox rendered a duet, "Whispering Hope." Following this Rev. O. R. Mangum delivered a Pythian address, "Our Duty to the Pythian Home." Then followed the quartette, "Until the Dawn," rendered by Messrs. Ray Clark, Wallace Clarke, Mrs. Fanniebell Sutherland and Mr. Barnes.

The most important and the most impressive feature of the exercises was the installation of the officers, which was conducted by District Deputy Grand Chancellor John K. Cahal. The new officers who were inducted into the duties of their offices were: Edgar Tingle, Chancellor Commander; Howard B. Carr, Vice Chancellor; John T. Hill, Prelate; O. B. Mann, Master-at-Arms; P. A. Thompson, Master-at-Work; Ira Bowen, Keeper of Records and Seals; John Cahal, Master of Exchequer; Fennell Galloway, Inner Guard; Chas. W. Fothergill, Outer Guard; O. R. Mangum, Charles Green and D. Y. L. Farley, Trustees. This was the first public installation of Pythian officials held in Paris for many years, and it was one that will be long remembered for its impressiveness.

Following the installation ceremonies, the singing of the closing ode, and the benediction, pronounced by Rev. George H. Harris, the meeting came to a close.

## FORMER PARIS GIRL DIES FROM POISONING.

Miss Elizabeth Watts, aged twenty-two, a former resident of Paris, where she attended the Paris High School, died at the home of her mother, Mrs. George Watts, in Des Moines, Iowa, last week, as the result of poison, the nature of which had not been determined by the coroner's inquest. Kimridge Weidner, of Sparta, Illinois, is facing trial on a charge of having caused the girl's death by administering poison to her with criminal intent.

In a statement made to her mother just before her death, Miss Watts said that Weidner had held her down, and forced the poison down her throat. Her throat and lips were badly burned by the powerful poison. She told her mother that Weidner had ruined her life, and that his life ought to pay the forfeit. According to the testimony given at the coroner's inquest Weidner was at one time a boarder in the family of the dead girl's mother.

Mrs. Watts and family came to Paris from Mt. Olivet about four years ago and resided on Scott avenue for some time. The dead girl and a little sister were students at the Paris High School, and were very well known to many Paris people. Miss Watts was a handsome young woman, and was very highly esteemed by her schoolmates. Her father died in Mt. Olivet some years before the family removed to Paris.

## BASKETBALL GAMES.

A double-header game of basketball will be played at the Y. M. C. A. gymnasium to-night between the boys' and girls' teams of the Paris High School and the Georgetown High School.

These games will be the first of the series of games scheduled to be played in the newly organized league this season. The next game between the Paris High School boys' team will be played in the Y. M. C. A. gymnasium on Friday, January 12, with the Maysville High School team.

The Paris High School team will play the team from the Little Rock Graded School, at the Y. M. C. A. gymnasium on Monday night, January 7. Admission, fifteen cents. The Georgetown team will play here to-night, and the Paris team will play at Georgetown on the 22d inst.

## PARIS LITERARY CLUB.

The members of the Paris Literary Club, after having adjourned for the holidays, resumed their meetings with the meeting held in the club rooms Wednesday afternoon. There was a good attendance, and an interesting program was rendered.

This meeting was devoted to Current Events, talks on events of the day being given by Mrs. Thomas Henry Clay, Jr., the leader; Mrs. Fanniebell Sutherland, Mrs. Ossian Edwards, Miss Mary Spears, Mrs. Ames Turney, Jr., Miss Elizabeth Crutcher, Miss Lucy Simms and Miss Mary Fithian Hutchcraft.

## MATRIMONIAL.

BALDWIN—CHISHOLM.

Miss Ethel Baldwin, one of the most attractive and one of the fairest of the many fair women of Paris, became the bride of Mr. Otha Blain Chisholm, of Jamestown, South Africa, at the home of her brother, Mr. Grover Baldwin, on Wednesday evening at six o'clock.

The home was beautifully decorated for the occasion with growing plants and pink and white flowers, while a myriad of pink shaded candles lent a soft radiance to the scene. Before the ceremony, Miss Clara Belle O'Neill presiding at the piano, rendered a number of beautiful selections. Mrs. William Talbot sang "Because I Love You," and "Until." Mrs. Talbot and Mrs. H. E. Foster sang a duet "The Venetian Love Song," and Mr. Clay Sutherland sang "At Dawning."

Promptly at six o'clock, the hour set for the ceremony, the bride, on the arm of her brother, Mr. James Baldwin, of Virginia, and the bridegroom, with his best man, Mr. James Baldwin, of Virginia, and the bridegroom, with his best man, Mr. Grover Baldwin, brother of the bride, entered the room, where they met the officiating minister, Rev. George H. Harris, rector of St. Peter's Episcopal church, of this city, beneath an arch of vines and pink roses, ornamented with a lover's knot of white ribbon, tied with pink flowers. Mr. James Baldwin gave his sister in marriage, as the bridal couple knelt before the minister in the rites of the marriage ceremony.

The bride looked strikingly handsome with her girlish beauty enhanced by her gowning of white silk with silver trimming, and her queenly head surmounted with a tulle bridal veil. She carried a shower of bride's roses and lillies of the valley.

Immediately after the ceremony Mr. and Mrs. Chisholm left in an automobile for Lexington, where they took the C. & O. train for a visit to relatives in Virginia, West Virginia, North and South Carolina and then to New York. From the latter place they will sail about February 1, for London, where they will remain for a month, at the expiration of that time going down the West Coast of Africa to the home of the groom in Ft. Jameson, Rhodesia.

Mrs. Chisholm is a graduate of Bourbon College and State College, while her husband graduated from the University of Kentucky in the class of 1909. He is now manager of the Ft. Jameson Branch of the United Tobacco Co., of Cape Town, South Africa.

## ATTORNEY JOHN WILLIAMS HAS EXPERIENCE WITH "HOSSES"

Some time ago Attorney John J. Williams, of Paris was appointed Special Commissioner to negotiate the sale of two horses, which had been levied on by county officials at the instance of a Carlisle firm of attorneys representing a Nicholas county client. Mr. Williams took all the necessary legal steps, had the owner of the horses notified, had all the advertising arranged for the day of sale, etc. Yesterday he telephoned the parties to bring the horses in for the sale, and was dumfounded when over the wire came back a reply to the effect that "them horses had both been dead and buried five years!" That was "two horses" on Mr. Williams.

And there's still another "horse" on the general attorney. Mr. Williams was again acting as Special Commissioner in like manner, for the sale of two horses that had also been levied upon for debt. The animals when brought in were found to be sorry specimens of horseflesh, one so thin he could hardly stand, a mere bag of bones and skin which, if the Humane Society had seen him, would have been promptly chloroformed. Mr. Williams had the two animals taken to Bradley & Brannon's shop, where they were being shod and put in otherwise more presentable shape for the sale. Just as the job was finished, and the horses were being led to the door, one of them dropped dead, and the other fell to the floor, unable to move further. Mr. Williams gave up the case, firmly convinced that he had had enough experience in the horse business and was better fitted for others lines of work.

## A HAPPY EVENT.

The home of Mrs. Eliza Evans, on the Pretty Run pike, near North Middletown, was the scene of a happy gathering during the holidays, when her children and grandchildren, numbering twenty-two in all, came to the old place for a family reunion. They had even taken the precaution to have the menu planned out in advance of the gathering, and brought all the necessary good things of life with them to add to the joy of the occasion.

All of Mrs. Evans' children are living. The family consists of Mr. and Mrs. John Evans, of Winchester; Mr. and Mrs. James Evans and three sons, whose farm adjoins; Mr. and Mrs. Caswell Goff and four children, of Indian Fields, in Clark county; Mr. and Mrs. Cliff C. Hadden, of Stony Point; Mr. and Mrs. Nelson Mason and three children, whose farm adjoins the Evans place, and Mrs. Anna Cooper, who resides with her mother. At the close of the day's festivities Mrs. Evans presented each of her six children with a check for \$200.

## NARROW ESCAPE.

Mr. Julian James, of Paris, had a narrow escape while returning to his home in this city on an interurban car from Lexington. Soon after leaving Lexington a negro who had been celebrating and had become too boisterous, was ejected from the car by the conductor. As the car started off the negro drew a revolver and fired two shots, one of which struck the window where Mr. James was sitting, breaking the glass and splintering the wood. The car was stopped and a search made for the pistol-user, but he had made good his escape. An effort is being made to learn his identity.

## TO ADMINISTER ESTATE

In the County Court Judge C. A. McMillan appointed Mrs. Mary Murphy as administratrix of the estate of Thomas B. Crane, who died at his home in this county recently. Mrs. Murphy furnished bond in the sum of \$3,000, with Mr. R. B. Whaley as surety.

Attorney David D. Cline, Public Administrator and Guardian, was appointed qualified as administrator of the estate of the late Solomon Hill, of this county. Mr. Cline gave bond in the sum of \$200 with surety.

FARM CONDITIONS IN BOURBON.

The heavy snows of the past week almost put a stop to all kinds of farming operations, but the succeeding fair and warmer weather, which melted the accumulated snows and slush carried it into the earth, helping to prepare the ground. With the exception of handling tobacco and feeding stock there has been very little work done on the farms for the past ten days or two weeks.

During the first of the week tobacco came in case, and was easily prepared for handling for the markets. Those who had bulked their tobacco have been enabled to put in several days in stripping it out. The speculators have been very active during the wet spell looking at crops throughout the county, and trying to purchase them, but few were sold, the growers preferring to take their chances in the open markets at the three Paris warehouses.

The feeding of stock has been rather unpleasant work on the farms lately on account of the continued cold weather and the heavy snows which followed. Farmers have been making heavy inroads on their supplies of fodder, hay and corn for feeding purposes, and it may be that the shortage will be more serious as the season gets along.

Eggs are scarce and still bringing fancy prices. Good country butter is hard to get at any price. Turkeys have about disappeared from the mar-

kets and the reliable old fill-in-the-chicken, has superceded it as the center piece on the family table. There has been a very slight drop in the price of flour.

### AUTOMOBILE HEARSE OR AMBULANCE

I desire to see to our friends that I can, where desired, furnish an automobile hearse or ambulance. This method of transportation is especially desired on long trips, the same being made in better time, and at no advance in cost over the horse-drawn conveyance.

**TO SERVE OYSTERS.**

The ladies of St. Peter's Episcopal church, of Paris, will serve oysters in any style desired, in the vacant store room adjoining the Fair Store, on Main street, on Saturday, Jan. 13. The patronage of the public is invited.

**AUTO BUS LINE  
PROVING VERY POPULAR**

The new auto bus line operating between North Middletown and Lexington is proving a very popular line with its patrons. It is likely that the service will be extended to take in Paris and other cities surrounding.

**THAT GOOD MOLASSES.**

We have some of that good old New Orleans Molasses that we pride ourselves on selling. Better order now if you want any.  
(5-11) C. P. COOK & CO.

**COUNTY OFFICIALS MAKE  
DELINQUENT SETTLEMENT.**

In the report of the investigation of county affairs made by State Inspector and Examiner Nat B. Sewell, appears the names of C. A. McMillan, County Judge of Bourbon county, who turned in \$55.70, and former County Judge Denis Dundon, of Bourbon county, with \$10.

**HEATER THAT WILL HEAT.**

We have a car load of coal heaters that must be sold at once, so during the month of January we are going to sell at prices that will make them move fast. If you need a coal heater, this is your chance. They will not last long at the prices we have put on them.  
(5-4) A. F. WHEELER & CO.

**REHEARSALS PROGRESSING.**

Rehearsals for the local talent play, "A Day at Coney Island," are progressing rapidly, and Director Jordan says Paris is going to see "some show," pretty girls, funny comedians and catchy music. "A Day at Coney Island" is a real musical comedy, and different from the average local talent play, as it has a full cast and a real chorus. Tickets are selling fast and should be exchanged at Varden & Son's for reserved seats. The Health & Welfare League shares in the profits. Don't fail to see the biggest and best show ever here, next Monday and Tuesday.

**REMARKABLE COINCIDENCE**

The deaths at the Massie Memorial Hospital, Wednesday morning at the same hour of Mrs. Gus Schnurman and Mrs. Maggie Johnson, both of Paris, furnishes a most remarkable coincidence. Both were thirty-five years old; both died at four o'clock on the morning of the same day; their funerals were both held at the same hour, Thursday at two o'clock; both came to Paris on the same day, and had both lived here the same length of time; both were of the same disposition, and both their surviving husbands are the same age.

**"DUNDER UND BLITZEN!"**

Early risers in Paris yesterday morning were surprised to hear loud peals of thunder, accompanied by a vivid electrical display, which prevailed during a heavy rainfall, making the most unusual weather combination for the time of the year. An old resident, who makes a specialty of recording such things, tells THE NEWS that there were three thunder storms during the month of November; that hail fell on five days in the month; and that the sun shone 124 hours, less than half of the 296 hours possible during the month. "In one night there was a mixture of rain, hail, snow and sleet, closing with rain, thunder and lightning."

**GIVING "STANDARD" TEST.**

The pupils of the Paris City Schools are being given the "standard test" this week, in order to find out how they stand as compared with the pupils of other schools in the United States.

The test, which is being conducted under the personal supervision of Superintendent T. A. Hendricks, consists of a series of questions arranged by a number of prominent educators. Similar examinations have been given by 1,500 schools throughout the country, and the average made by the students is taken as a standard. Examinations have been given in writing and spelling, and the papers graded so far show an average considerably above the standard. Tests in arithmetic, reading and composition are being given this week.

**ELECTION OF SCHOOL TRUSTEES**

At a meeting of the Bourbon County Board of Education, held in the office of Miss Mabel Robbins, County Superintendent of Schools after the transaction of important business and receiving the report of the Superintendent, the following trustees were elected:

## Chronic Catarrh is Curable

Nothing is more distressing to the sufferer and his friends. Chronic catarrh is systemic—that is, it is present throughout the body, though it may manifest itself in a local ulceration. Only a constitutional treatment will overcome systemic catarrh. Local treatments sometimes help the acute manifestations, but they cannot overcome the systemic disorder.

### PERUNA Has Helped Thousands

It is a fact that the voluntary testimony of thousands establishes that Peruna benefits in a number of ways. Peruna builds up the digestion, restores the strength, and helps put the system in condition.

Peruna has special value in catarrh. It gives vitality to the system, restores tone to the membranes and enables these to perform their functions. In many cases its benefits begin at once, and it rarely fails when treatment is continued properly. The Peruna Medical Department will be glad to assist you to overcome this disease. The doctor's advice is free. Don't delay treatment.

### COUNTY ROAD ENGINEERS' MEETING AT BOWLING GREEN.

January 17 to 20, inclusive, there will be held at Bowling Green, Kentucky, a meeting of the County Road Engineers. This is the first time such a meeting has been held in Western Kentucky, and advantage is taken of the fact that the Rock Asphalt Mines are located nearby and that all delegates will be given a free trip. They will also have an opportunity to inspect the excellent roads in Warren and adjacent counties, and especially the old State pike which was built some twenty-five years ago. The Railroad companies throughout the State have kindly agreed to give reduced rates to the meeting, such to be in effect from the 16th to the 19th, and good until the 21st, and the Attorney General of Kentucky has ruled that a Fiscal Court has a legal right to appropriate money to pay the entire expenses of the Court in attending the meeting.

The program has been arranged so that only practical problems will be discussed, one-half of the day being given over entirely to the County Judges of the State, and owing to the fact that the meeting is being held at a time of the year when no road work is being done, there is no reason why at least two or three thousand people should not be in attendance.

### WOMEN OF SEDENTARY HABITS.

Women who get little exercise are likely to be troubled with constipation and indigestion and will find Chamberlain's Tablets highly beneficial. Not so good as a three or four mile walk every day, but very much better than to allow the bowels to remain in a constipated condition. They are easy and pleasant to take and most agreeable in effect. Obtainable everywhere. (adv-jan)

### GIRLS! DRAW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY.

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once.

Immediate?—Yes! Certain?—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair; but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes, but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it. (adv)

### THE GIST OF IT.

"Last December I had a very severe cold and was nearly down sick in bed. I bought two bottles of Chamberlain's Cough Remedy and it was only a very few days until I was restored to health," writes O. J. Metcalf, Weatherby, Mo. If you would know the value of this remedy, ask any one who has used it. Obtainable everywhere. (adv-jan)

### SHARP, STABBING PAINS.

Often Tell of Weak Kidneys—A Paris Resident Shows You What To Do.

The sharp twinge of pain in the small of the back that strikes you after any sudden twist or awkward motion may tell of weak kidneys. And there are often disturbances of the urine—too frequent urination, scalding or burning pain during passage, discolored urine and sediment.

Doan's Kidney Pills are prepared especially for weakened kidneys. Kidney backache and urinary disorders have proven their merit in thousands of cases. Doan's are endorsed throughout the civilized world—recommended by Paris residents.

Chas. Stewart, tinsmith, Lileston avenue, Paris, says: "I had three or four attacks of lumbago in the past few years, the first being the worst. My back was dull, constant ache all the time and often sharp, cutting pains darted through it. Sometimes I thought I could hardly endure the misery. Doctors' medicine was of no avail and somehow I got hold of Doan's Kidney Pills, procuring them from the Ardery Drug Co. The first box helped me and I continued taking them until cured of the attacks. Return spells since then have always been slight, and Doan's Kidney Pills have never failed to relieve me."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stewart had. Foster-Milburn Co., Props., Buffalo, N. Y. (adv)

### HOW TO CHECK THAT COLD.

When it is painful to breathe and fever sends chills up and down your back, you are in for a cold. A timely dose of Dr. Bell's Pine Tar Honey will stop the sneezes and sniffles. The pine balsam loosens the phlegm and clears the bronchial tubes, the honey soothes and relieves the sore throat. The antiseptic qualities kill the germ and the congested condition is relieved. Croup, whooping cough and chronic bronchitis affections quickly relieved. At all Druggists, 25c. (adv-jan)

### SUBSCRIPTION INCREASED.

The Carlisle Mercury has announced that on and after January 2, 1917, the subscription price of that newspaper will be raised from \$1 to \$1.50 per year, payable in advance. The high and increased cost of paper and other materials is given as the cause for the advance.

### CONSTIPATION AND INDIGESTION

"I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes Eugene S. Knight, Wilmington, N. C. Obtainable everywhere. (adv-jan)

### STOCK, CROP, ETC.

—A remarkable occurrence is reported to the press by Mr. George Allison, who witnessed the happening on his farm on the Clintonville pike near Paris recently. Mr. Allison states that one day very recently, when the ground was covered with snow, a turkey hen came to the house with a brood of young ones about two days old. This is said to have been a very rare occurrence, indeed, as turkeys seldom lay eggs in the fall. It is remarkable how the hen kept the eggs from freezing when she left the nest to get something to eat.

—Myers & McClintock, of this city, have made the following purchases of live stock recently: Four head of aged mules from Maysville parties for \$175 each; ten head of work mules from Bourbon county parties for prices ranging from \$185 to \$200 each. **TO SHOW SMILE****Woman Has Pride In Good Health Tanlac Gives Her.**

"I have made this special trip, over 20 miles of road, to tell you what Tanlac has done for me," said Mrs. S. E. Smith of Cleves, O., to the Tanlac Man recently.

"On hearing what she endured from a worried stomach and disordered digestion I don't wonder," he said, "that this happy woman would put herself out to greet me with a happy 'Tanlac Smile,' and tell me how the new medicine had lifted her from a dragged down condition into one of health and contentment."

Mrs. Smith said: "I suffered with a weak, delicate stomach. I had to be very careful about what I ate, for everything disagreed with me, and I had a pain in the pit of the stomach most of the time."

"Dizziness caused me much discomfort, and along with it would come shortness of breath and smothering spells."

"My limbs swelled and joints became stiff and I was almost helpless at times. I suffered awfully. My hands and arms would ache so that I could hardly stand it."

"From all this, together with belching, weak heart, and sleepless nights, I was delivered by Tanlac. It helped me before I had taken half a bottle. My limbs do not pain now and I am not troubled with swollen and stiff joints. I feel improved in every way, sleep well and have an excellent appetite."

Tanlac, the master medicine and reconstructive tonic, is sold exclusively in PARIS by Varden & Son. Other exclusive agents in nearby towns are as follows:

HUTCHISON Snell & Wood; MILLERSBURG, W. G. Wadell; ELIZABETH, Oscar Smith; CARLSLE, Tureman & Son; GEORGETOWN, C. H. Arnold; WINCHESTER, Duty Drug Company; AUSTERLITZ, B. S. Parrish.

I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms." Obtainable everywhere.

**ELECTRIC GLOVE**

When the automobile driver is about to stop or turn a corner in the daytime his extended arm warns the cars behind him of his intention. When he wants to turn or stop at night, his warning arm is likely to be lost in the darkness. A new glove has been put on the market which has a tiny electric bulb fastened to the back, wired to a light battery in the driver's pocket. By closing his fingers in a certain way the driver can close the light circuit and light the bulb on the back of the glove. Thus his extended warning arm carries a clearly visible point of light for night driving.

## DEATHS.

## JOHNSON.

The funeral of Mrs. Maggie Johnson, aged thirty-five, who died at the Massie Memorial Hospital, in this city at four o'clock Wednesday morning, of heart disease, was held yesterday afternoon at two o'clock at the family residence on Stoner avenue. The services were conducted by Rev. W. O. Sadler, pastor of the Paris Methodist church, the burial following in the Paris Cemetery. The pall-bearers were George W. Beatty, Ed. Kenton, James Ishmael, Millard Jefferson, J. J. Veatch and Sam Ishmael.

Mrs. Johnson was the wife of Mr. John Johnson, formerly of the Little Rock vicinity, and had been a resident of Paris for several years.

She is survived by one sister, Mrs. George W. Beatty, residing on Pleasant street, by her husband, Mr. M. J. Johnson, and two small children, two and five years of age, respectively.

## SCHNURMAN.

The funeral of Mrs. Nannie E. Schnurman, aged thirty-five, who died at the Massie Memorial Hospital, in this city, at four o'clock Wednesday morning, was held at the home on South High street, yesterday afternoon at two o'clock. The services were conducted by Rev. O. R. Mangum, pastor of the Paris Baptist church. The body was taken to her old home in Rochester, New York, on the 3:15 L. & N. train, for interment.

Mrs. Schnurman was the wife of Mr. Gus Schnurman, who for some time conducted a tailoring and pressing establishment in the building at the corner of Main and Ninth streets. She had lived in Paris but a few years, but her happy disposition and cheerful manner soon made her a host of friends. Mrs. Schnurman is survived by her husband, Mr. Gus Schnurman, who is still suffering from serious injuries received some time ago in a street car accident in Waynesboro, North Carolina, and one daughter, Thelma, six years old.

Mrs. Schnurman had been ill for some weeks and was taken to the Massie Memorial Hospital a few days ago, where it was decided her condition was serious. An operation for appendicitis was performed, also two other operations of a serious nature. Death followed Wednesday morning, the patient not being able to rally from the effects of the ordeal. Mr. Schnurman has the sympathy of the entire community in his double affliction.

## PERRY.

The funeral of Mrs. Laura Hughes Perry, aged sixty-one, who died Tuesday morning at eight o'clock, at the home of her daughter, Mrs. A. B. Davis, in Covington, was held at the Paris Cemetery, yesterday morning, after the arrival of the 9:50 train from Covington. Services were conducted at the grave by Rev. W. E.

Ellis, pastor of the Paris Christian church. The pall-bearers were Whittington Mann, George M. Hill, Dr. J. W. Jameson, Dr. William Kenney and Perry J. McCord, of Paris, and William Dale, of Covington.

Mrs. Perry was a daughter of Otho and Nancy Hughes, who were among the early residents of Paris. Mr. Hughes was postmaster of Paris in the early days of the city. She had spent most of her life in Paris, where she was well-known and highly esteemed. Mrs. Perry was one of the active members of the local Chapter of Daughters of the Confederacy, and had always been interested in the work of the organization. During her residence in Paris, Mrs. Perry was one of the foremost women in charitable work, and she was loved by all who knew her.

Mrs. Perry was the widow of Benj. Perry, for many years one of the best-known citizens of Paris, a member of the City Council and twice elected Mayor of the city. Mr. Perry died suddenly in his store on Main street on the night of March 25, 1907. Shortly after his death Mrs. Perry moved to Covington, where her daughter, Mrs. A. B. Davis, resided, and had since made her home there. A son, Ellis Perry, died at the home on Pleasant street several years ago. Mrs. Alvin Davis, who was Miss Iva Perry, is the only survivor, with her two children, Ben Perry Davis and Laura Perry Davis, both of Covington.

Mrs. Perry had been in poor health for several years, but her condition gave her friends and relatives no apprehension until a few days ago, when it became apparent that the end was not far off.

## FEDERATED CLUB LUNCHEON A BRILLIANT EVENT.

(Contributed)

At last the long-talked-of, much-desired Federation of Clubs in the city of Paris is an fait accompli.

On Saturday, December 30, Mrs. Jas. McClure threw open her hospitable doors and a beautiful luncheon was served to ninety women who responded to the invitation given the eleven clubs of Paris and their guests from our sister cities, North Middletown, New York and Millersburg.

The tables were placed in the delightful sun parlor, living room, dining room, hall and library. The whole house was bright with Christmas greens and gorgeous crimson poinsettias, and old Santa Claus had forgotten one tree and it still stood at one end of the long sun parlor to remind us we were still in the season of "peace on earth and good will toward men."

The speakers of the occasion were seated at a large round table in the library, and huge windows opening on the porch and doors leading into hall and dining room gave ample opportunity to all to hear the toasts that followed the luncheon.

Mrs. Fanniebell Sutherland, the President of the Federation, made a perfect toastmaster. Her introductions were short, to the point and full of wit.

Mrs. Frederick A. Wallis, from New York, responded first and brought greetings to the Club women of Paris from the Kentucky women of New York. She told of their work and hopes and desires in a most interesting fashion and then gave a short sketch of the Oriental-American Society, of which she is also a member.

This Club is composed of the wives and daughters of Chinese and Japanese men who are in any way connected with our government and identified with the mercantile life of the city. The American membership is limited to 100, but the Oriental members is unlimited.

Next on the program came Miss Maymie D. Long, from Millersburg. Miss Long brought a message from the 20th Century Club, composed of "19 bright women and herself," so she told us. She said it was a long cry from New York to Millersburg, and she didn't have the interesting things to tell us we had just listened to, but if we would come to see them we would find a welcome just as cordial, hearts just as warm, and minds just as ready to grasp, as could be found in the whole United States.

Mrs. Allie Smith Dickson, from North Middletown, claimed to be only two years old, and said she felt just as proud to be with us as she had felt years ago when she was allowed to go to her big sister's party. The North Middletown Club was organized in 1914 and last year had taken Modern Drama in their study. Mrs. Dickson's toast was bright and witty and was frequently interrupted by applause and laughter.

Mrs. Wm. G. Talbott told the Federation what it meant to be a Club President, and Mrs. Talbott was surely well qualified to speak. She used one of Uncle Remas' stories as a text, and told of the attempt of the tortoise to fly. As long as the buzzard held him, all went well, but when the buzzard let go

The buzzard stood looking at what was left of the tortoise, and then said, "You can fly all right, fly as good as anybody; but what you want to do is to 'learn to light.'"

And Mrs. Talbott offered the same advice to any young aspirant, "to learn how to light."

Mrs. Sutherland said no matter how feminine a meeting might be, it simply seemed impossible to entirely eliminate the masculine. He just must come in—so she asked Mrs. John Davis to respond to the Club Husband.

Mrs. Davis was very brief, but her suggestions were masterly. The ideal club husband was in the future, and the hope of the next generation of women lay in the training of the sons of to-day. Thus may "wisdom be justified of her children."

Mrs. Oakford Hinton said her topic was scarcely fair. "Is the Club Woman An Asset to a Community?" There was nothing to say. The "ayes" had it unanimously. She offered many fine suggestions to the women present along the lines of better streets, better sidewalks, better laws (and better enforced), as well as better homes and better wives and better mothers and better babies.

Mrs. Geo. Stuart's subject was "Side-lights on Club Work," and in her capable hands proved a veritable "search light." Like the thorough-going woman that she is, she began at the beginning and told how Eve conducted her club work. She brought us down through the Stone Age, the Dark Age, the Middle Age, on to the light of the present day, in a quick, clever, sparkling little speech, whose brevity gave time only to touch the "high places."

Two impromptu toasts brought this feast of reason and flow of soul to an end.

Miss Lou K. Williams gave a toast to our gracious hostess, Mrs. McClure, and drank her health in clear water "that is no purer than her own bright spirit."

Mrs. McClure in her response offered the slogan that she claims as her own, to the Federation, that they, too, might adopt it, "No illiteracy in Kentucky in 1920." This toast was drunk by all standing.

This closed a most enjoyable and delightful program, the success of which we owe to Mrs. Thomas Henry Clay, Jr. It is her mind and heart and quick capacity for reading human nature that makes her past-mistress of the art of forming a successful program; and in spite of the modesty that held her in the background, she had to listen to and accept the grateful thanks and appreciation of all who knew it.

The mission of the Federation is to promote Club spirit, to stand together on all questions of betterment, both civic and domestic, to help form public opinion, and to pass on to the women of tomorrow the goodly heritage that was handed the women of today by the women of yesterday.

Work for the night is coming, Work in the sunny noon;

Fill brightest homes with labor Rest comes sure and soon.

Give every flying minute Something to keep in store; Work for the night is coming When we work no more.

—P. A. D.
